## Hear Directly from Our Valued Clients

"This is our second real estate transaction with the Schabatkas and we've been very pleased with both. Last time it was land and this time a home...They are quick to respond to emails and phone calls and they give personal attention every step of the way. They give their professional advice, but also listen and work with us on our thoughts and ideas. It seems they have worked everywhere...and know all the markets and idiosyncrasies of the various homeowner associations and their requirements...They are truly amazing and hard working. They know their business and do it well. We highly recommend this team."
